Team Australia Unsuccessful Athlete Selector Script

To set up the call

Selector calls Athlete's mobile at the time booked in Calendly. Look up phone number in this spreadsheet (hyperlink EOI form with contact numbers). Otherwise contact another selector who may be able to give you the Athlete's number.

Script

Hi XXX - how are you?

I'm calling on behalf of the selectors, regarding CAMPAIGN selections. As you will have seen via email, you have not been selected (OR have not been selected to your first preference team) for CAMPAIGN.

In this call we can discuss your reason for non-selection and then answer any general questions you may have. Does this sound ok to you?

IF YES:	As you're aware, selections were hotly contested. During the selection process you were considered for the following role/s XXX and XXX. *The reason for your non-selection is, relative to other similar players, you are:* ● *Lacking XXXX (reason one that ties back to your selection criteria)* ● *Lacking XXXX (as necessary, reason two that ties back to your selection criteria)*

IF NO:	If you change your mind and would like to discuss the reason for non-selection, prior to the public announcement of the team, which is likely to be Tuesday next week, please reach out and set a time with me to discuss.

Do you have any questions or feedback for myself and the other selectors?

Selector could be asked - how do I improve my chances for next time? General guidance...

- *Improve your weakness - you could give some general advice*
- *Hone your strength - give an idea as to what you believe this to be for the athlete, and how to improve it further.*
- *Take up OTHER CAMPAIGN opportunities - see below.*

If wanting to know about future opportunities, upcoming:

- *OTHER CAMPAIGN ATHLETE OPPORTUNITIES*
- *STAFF MEMBER OPPORTUNITIES IN THIS CAMPAIGN OR OTHER CAMPAIGN. Contact Dan Rule for a job description and how to apply if interested.*

Thanks for your time and for your effort throughout the selection process.

Bye.
